### **STATEMENT OF QUALIFICATIONS**

Roger Mammon was born in San Francisco and grew up in the East Bay. He has resided in Oakley since 1983. A former police officer and manager in the automobile finance industry, Mr. Mammon has fished all his life and took up hunting as a young adult. Mr. Mammon loves both sports as they allow him to be outside and on the water. He is serving in his third two year term as President of the Lower Sherman Island Duck Hunters Association—a group of local sportsmen and women who enjoy hunting in State Wildlife Management Areas. He is also a Board Member of the West Delta Chapter of the California Striped Bass Association, and is a member of the Committee to Save Our Shoreline in Oakley. The City of Oakley has appointed him their unofficial liaison on Delta matters. He has seen a number of changes in the Delta over the past two and a half decades that are disturbing, and he looks forward to helping restore the Delta.
